

Airway @ Lutheran

Location: NYU Lutheran

Contact: Dr. Curtis Thornhill (718) 630-6324 Cthornhill@lmcmc.com

Liaison: Dr. James Willis (516) 860-5095 jmw1423@gmal.com

- **Ambulatory Surgical Suite**
 - Ask security where this is
 - When you get there, ask the front desk to page Dr.Thornhill

- **Orientation**
 - Dr. Thornhill will orient you on your first day. He will introduce you to the OR, he will discuss the basics of intubation and allow you to practice on mannequins.

- **Scrub Access:**
 - Find OR staff: Alvin or Chloe as they will help you with scrubs
 - Request to get a scrub card with your correct size
 - They will show you where the women's/men's locker room is - you must change into their scrubs daily. You'll leave your stuff in the locker room or in the lounge

- **ID**
 - Located on the first floor
 - Ask for access to anesthesia lounge

- **Intubation opportunities**
 - There is a board in the OR that has a list of all the procedures for the day. The procedures that have potential intubations will have the phrase "GEN" next to them
 - Go into the respective OR room and introduce yourself to the attending and ask if you are able to assist or do the intubation. You can also ask the resident that is in the respective OR room.
 - The general pattern of the OR procedures are as follow: First round @ 715AM, second round @9AM, then 1-2PM
 - You can get a variable amount of intubations each day, this will be based on how many procedures that day, how many general sedation procedures are available, attending dependent.
