

Hi all.

Changes to medicine admissions and management of boarders:

ED will be managed by two attendings during the day and one at night.

Do not place admission consult into EPIC.

Do not call / ask to admit your patient.

Simply Place an admit order for **S1 medicine team**.

- Note: this is being added to EPIC soon.
- Use **Blue 7** until it's there.

Through Thursday:

- At night 8pm- 8am: Dr. Bhat
- Daytime 8am-8pm: Dr. Dubson

Please do insist on a verbal hand off with the team.
