

Nailing Your Virtual Interview

Backup:

- Charger
- Contact info of the program
- Tech support

We're all In this together!

- We want you to succeed
- We are going through this with you

Prepare

- Research the program
- Come with specific questions
- Know your CV, strengths and weaknesses

Treat it like an in-person interview

- Act professionally
- Dress to impress
- Put your best foot forward

What's different about this?

- No hand shake
- Facial expressions replace body language
- Look into the camera, not at yourself

Setting

- Clean
- Quiet
- Well lit
