

Clerkship in Emergency Medicine Attendance Sheet and Case Log

Student Name: _____

Instructions: Please complete both logs. Have your attending or resident sign and stamp the patients you have evaluated and the attendance sheet for each shift you worked.

Give all completed forms to Course Coordinator/Director when completed or on the last day of the rotation.

Patient list (chief complaints):

You must see at least one patient from each of the categories below. However, you are not limited to only patients with these chief complaints. Have each category signed and stamped. Chief Complaint (Core disease) information must be submitted on New Innovations as well.

Abdominal Pain	Alteration/Loss of consciousness	Chest Pain/Acute Coronary Syndrome
Fracture/Orthopedic Injury	Gastrointestinal Bleeding (i.e. vomiting blood, hemorrhoids)	Headache
Pediatric Fever	Resuscitation/Shock (trauma or medical) i.e. CCT case	Shortness of breath (i.e. CHF, asthma)
Vaginal Bleeding/Pelvic Pain	Wound Care/Laceration	

Attendance Sheet:

Write in the date and time of your shift. **(This is your ONLY proof of attendance.)**
